GREENPOINT CAPITAL EXIT REAL FOODS INVESTMENT

Greenpoint Capital (“Greenpoint”) is pleased to announce the exit of their Real Foods Investment. Greenpoint provided a debt facility to Real Foods in 2017 to help facilitate its focused growth strategy within the healthy living category.

“The Real Foods business, its underlying brands and management team are best in class. We are proud to have been associated with them for almost 5 years and we wish them all the best for their next phase of growth” – Ryan Wood-Collier, Greenpoint Capital.

“Greenpoint Capital were able to provide a tailor-made capital solution to meet our specific needs. We appreciate the support that Greenpoint provided us throughout our term.” – Dean Kowarski, Virgin Active Group CEO.

Greenpoint is a specialist private credit investment management firm that has been providing debt-led finance solutions to Southern African mid-market corporates for over a decade.
